

Mt Gellibrand Wind Farm Scholarship

ACCIONA is a global leader in the development and management of renewable energy, infrastructure and water services. With more than a century of experience and a workforce exceeding 30,000 employees, we operate in more than 40 countries across five continents.

ACCIONA Energy has built and owns four wind farms in Australia, one through a joint venture, and has developed a strong pipeline of projects for construction. The wind farms at Mt Gellibrand and Waubra in Victoria, Gunning in New South Wales, Cathedral Rocks in South Australia and Mortlake South in Victoria, which has just began construction will produce the energy equivalent to the needs of over 400,000 households.

The Mt Gellibrand Wind Farm is located 25km east of Colac. Construction commenced in early 2017, with the first electricity generation achieved in June 2018.

The scholarship is open to all students from the local area wishing to enter further study in TAFE or University in 2019.

Eligibility and Payment Criteria

- All students residing in the Colac Otway shire, hoping to enter university or TAFE in 2019, are eligible to apply.
- Applicants who are offered an ACCIONA Scholarship will be required to provide proof of enrolment in 2019 and also provide evidence of mid year pass grades in subjects studied as part of their 2019 tertiary study. Scholarship payment for 2019 will be allocated in two instalments. One payment of \$2500 when proof of enrolment is produced in February 2019 and another payment of \$2500 when half yearly results are produced in July 2019. Scholarship money will be returned to ACCIONA if tertiary studies are ceased or deferred for any reason in 2019.
- Selection of the successful candidates will be made according to academic merit, financial need and with reference to applicant's written statement (500 words) regarding their school activities and responsibilities, community involvement, future career aspirations and how their chosen course will benefit their community in the future.
- Successful applicants may be required to attend media events as required.

ACCIONA Scholarship (Mt Gellibrand Wind Farm) Application Form

ACCIONA through its Mt Gellibrand Wind Farm Sponsorship Fund is able to provide a one-time scholarship of up to \$5000 for a student wishing to undertake study that will benefit the communities in which they live.

Preference will be given to those studying engineering, science or agricultural based courses.

Applications for funding in 2019 close on Friday 4 January 2019.
